Pledge Marriage Vows In McDougal United

LAWREN - ARCHIBALD

On Saturday, February 7th, McDougal United Church, Edmonton, was the scene of a very pretty wedding ceremony. Irene Phyllis, youngest daughter of Mr. and Mrs. A. C. Archibald of Irma, became the bride of William Walter Lawrin, only son of Mr. and Mrs. Michael Lawrin of Edmonton.

The church was decorated in baskets of daffodils, chrysanthemums and tulips flanked by lighted tapers. The guest pews were marked with satin bows and red roses.

This candlelight, double-ring ceremony was performed by Rev. D. B. MacDonald.

The bride, entering the church with her father, made a beautiful picture as she came down the aisle dressed in a Bianchi gown of Alexian Peau De Sole Lace, long lily-poll sleeves, Peter pan collar embroidered with pearls and sequins. From the formal Empire bodice, fell a channel train skirt, plain lace in front, the full back tiered with alternate ruffles of Alexian lace and nylon tulle, complemented by a floor length montilla of net and lace that fell gracefully from a coronet of pearls and sequins. The white of the formal gown was accented by a beautiful cascade bouquet of red sweetheart roses.

Mr. Keith Firkus, sister of the bride, was matron of honor. She was gowned in a coral waist-length dress of chiffon over satin, featuring a very full skirt, shirred bodice and flowing sash. Miss Colleen Archibald, sister of the bride, Miss Judy Orsdel and Miss Eleanor Smith, nieces of the groom, were bridesmaids. They were attractive in matching dresses of peacock blue, complemented by coronets with veils studded with rhinestones. Each had matching nylon gloves and satin slippers. The matron of honor carried a colonial bouquet of peacock blue mums and yellow roses. Bridesmaids carried colonial bouquets of coral and yellow roses.

Nieces of the bride, Susan McLeod and Phyllis Jackson, were flower girls and had similar gowns of yellow chiffon with full skirts, Peter Pan collars and

flowing sashes. They wore floral coronets and carried bouquets of peacock blue and coral mums.

Douglas McLeod was ring-bearer and wore a miniature groomsmen's black suit.

To receive her guests, the bride's mother chose a gown of sapphire blue chiffon with matching accessories with a corsage of pink sweetheart roses. The groom's mother chose a tiege lace gown with matching accessories and a corsage of yellow sweetheart roses.

Mrs. Jennie Peterson, grandmother of the bride, looked charming in a mauve jersey dress and matching hat and wore a corsage of white carnations and yellow roses.

Groomsmen were Mr. Victor Prystawa, R.C.M.P. Wm. Muffet, Almond and Gary Archibald, brothers of the bride.

The wedding music was played by the church organist, Mr. Frank Johnson. Miss Mary Young sang, "A Wedding Prayer" before the ceremony and "O Perfect Love" during the signing of the register.

A reception for 280 relatives and friends was held in Norwood Canadian Legion Hall. The bride's table was laid with a lace cloth centred with a 4-tiered wedding cake, beautifully decorated by Mrs. Harry Riley. This was flanked by lighted candles and baskets of spring flowers.

After the cake was cut, telegrams were read by Mr. Victor Prystawa from Mr. and Mrs. Clarence Allen of Whitehorse, N.W.T. and Mr. and Mrs. M. Chrenek of Grand Prairie.

Mr. Charles Wilburham was master of ceremonies. Mr. D. H. Gunn gave the toast to the bride and Mr. Harry Van Dusen the toast to the groom. Mr. Wilburham presented a toast to the bridegrooms.

Following the toasts, a dance was held and later a presentation was made.

For the honeymoon trip to Banff, the bride donned a teal blue suit of imported French cashmere with matching hat and brown accessories, a mink shortle coat, gift of the groom. Her corsage was red sweetheart roses.

Mr. and Mrs. Lawrin will reside at 10328-97 Ave., Suite 2, Edmonton.

Out-of-town guests were Mr. D. H. Gunn, Mr. and Mrs. G. Coulman, Mr. and Mrs. Eric Prior, Mrs. B. C. McPherson, Mr. and Mrs. Ted Prior, Mr. J. Pond and Jeanette, Mr. and Mrs. Clair Lukens, Mr. and Mrs. S. Murray, Mr. and Mrs. Louis Larson, Mrs. C. S. Smallwood, Mrs. G. Fischer, Mrs. Marian Smallwood, Mr. Bob Fischer, Mr. and Mrs. Glen Hockett, Mr. and Mrs. J. Dunbar, Mr. and Mrs. F. Drewick, Mr. and Mrs. Herbert Larson, Kathleen and Mona, Mr. and Mrs. Eddie Jackson, Mr. J. H. Archibald, Mr. and Mrs. J. Pastor, all of Irma.

Mr. and Mrs. Phil Holt, Viking; Mr. and Mrs. Lorne McLeod, Wainwright; Mr. and Mrs. Charles Wilburham, Wainwright; Mr. and Mrs. Louis Orsdel, Wainwright; Mrs. Bill Ramsey, Calgary; Mrs. M. Karmayaz, Portage La Prairie, Man.; Mr. Harry Dorosiewicz, Vancouver; Mr. and Mrs. Melvin Peterson, Leduc, Alta.; Mr. and Mrs. Mike Verbitsky, Clover Bar; Mr. and Mrs. George Tkachuk, Andrew; Mr. Peter Anderson, Soda Beach.

Celebrate Silver Wedding Anniversary

On Saturday evening, Feb. 28, Mrs. M. Reitan entertained immediate relatives in honor of the Silver Wedding anniversary of Mr. and Mrs. Jack Halvorsen. Meanwhile, cars were gathering up the road and in due course came tooting into the Reitan yard. Out piled neighbors and friends and relatives to the merry tune of over one hundred. From Wainwright they had come, from Hardisty and Sedgewick, as well as from Irma and district.

Mrs. Reitan soon had furniture whisked away and benches in place so all were seated facing the guests of honor. Mr. O. Likness was emcee. The hymn, "O Happy Home" was sung together. Mrs. Raasok read a portion of Scripture and gave a beautiful prayer. She also expressed her thanks to the Halvorsens for their interest and continued support in Luther League projects. Special numbers were rendered by the following: Erling Nilson, "Bless This House", Mrs. Geo. Pedel, "How Great Thou Art" and a duet by Mrs. R. Erickson and Mrs. Carl Gubraa, "Love Divine". Mr. Likness called upon members of the family and other friends for brief speeches. Some were able to reminisce a bit which added to the interest. Pastor Magee also spoke a few words, first in a humorous vein, then expressing his appreciation of the faithful members exemplified in Mr. and Mrs. Jack Halvorsen.

Mr. Alex. Smallwood presented the honored couple with a case of silver on behalf of the assembled throng. Then Mrs. N. Fluevog, as WMF president, spoke a few words as she, too, presented a gift from her organization. Both Mr. and Mrs. Halvorsen expressed their sincere thanks for the kindness shown them, adding their heartfelt appreciation for having the privilege of living in such a fine community.

A delicious lunch, replete with homemade icecream made by Mrs. A. Moldor of Hardisty, was a fitting culmination. The beautiful wedding cake, baked by Mrs. Reitan and decorated by Mrs. Riley, was a gift from the brothers and sisters of Mrs. Halvorsen, as were the lovely bouquet of carnations and red roses. Good wishes were extended to Mr. and Mrs. Halvorsen, in parting with the hope that they might enjoy many more anniversaries.

The Jarrold WA met for their first meeting of the year on Tuesday at the home of Mrs. G. Theroux with 9 members and 7 visitors present. 3 new members were welcomed to the Aid: Mrs. Beer, Mrs. Wm. Lockhart and Mrs. Cecil Lockhart.

The April meeting to be held at the home of Mrs. Arthur Overby on April 7th.

Mrs. G. Maskins is at present a patient in Viking hospital. Ellen is staying at the G. Matthew home.

Mrs. G. Rawluk is a patient in Killam hospital. We wish both a speedy recovery.

Mrs. Beer visited in the city during the week.

The 1958 strike of nickel workers resulted in the loss of just under 1,000,000 man-days of work; the Hamilton steel strike cost 500,000 man-days of work. Record loss of work in Canada was 1,225,000 man-days in an Alberta coal miners strike in 1924.

Mr. and Mrs. Douglas and Susan, a sister for Douglas and Susan.

Mrs. Claude Ramsay and family were Sunday visitors at the Allen farm.

Glenn-Coa Cleanings

Special congratulations to Mr. and Mrs. Jack Halvorsen who celebrated their Silver Wedding Anniversary on Feb. 28. They have many more happy years.

Mr. and Mrs. Harold Fuder and little Janice visited at Red Deer a recent weekend. Unfortunately, Janice was ill enough while they were away to warrant seeing a doctor which spoiled the pleasure of the visit.

Mrs. Withall's children gathered here last weekend to help their mother celebrate her birthday on March 1st. Mr. and Mrs. Halvorsen and girls, and Mrs. Stan Berg and children of Gwynne were here, as was Mrs. Frank Goddard and boys of Wainwright. Lily Mackay was able to spend the last days of her holidays with her relatives, and of course there were Mr. and Mrs. Jack Mackay and son, as well as Mr. and Mrs. T. Larson and family. Don Mackay and family were the only family members missing.

Mr. and Mrs. P. Spring motored to Edmonton Thursday of last week. Mr. and Mrs. Art McKee accompanying them. Mr. McKee remained in Edmonton to take in course to do with plumbing.

Mrs. T. Larson looked after the McKee children while their parents were away, with the exception of David who manfully shouldered the responsibilities of looking after the farm.

Mr. Oren Spring was home last weekend. Also Mr. Gordon Hollinger of Edmonton whose mother accompanied him back to the city on Sunday. We understand Mrs. Hollinger will be under doctor's care while away.

Best wishes from the community is extended to her with the sincere hope that she will be feeling better in the near future.

Mrs. N. Fluevog accompanied Dr. and Mrs. T. Lyng of Wainwright to Edmonton last Sunday to visit her brother and family there, for the day.

Mrs. L. Nilson and Mrs. R. Nilson and boys left last Sunday for a two weeks' visit to the west coast. Mr. Erickson drove them as far as Edmonton where they visited the Lloyd Erickson family before leaving. Little Melvin is beginning to walk fairly well after being laid so long with his broken leg. We wish them a refreshing holiday.

Rev. Curtis Sattre of Calgary paid a brief visit with his folks here at the first of the week.

Sharon Luther League plan to have a program next Sunday evening, March 8th.

Irma Win One, Lose One In Hockey Play-offs

On Feb. 26, the Irma Seniors travelled to Chauvin for the second game of the playoffs and came home with an 8-4 win. Both teams played a clean game with only one penalty, that going to S. Archibald for tripping.

The Irma team caught Chauvin in off guard in the early minutes of the game by getting three fast goals before Chauvin managed to get one back. Irma led 4-1 at the end of the first period.

The second period saw both teams skating hard both ways with neither team having too much of an edge. Chauvin outscored Irma 2 to 1.

With a good crowd from Irma along to cheer the home team on, they held their own in the last period with each team getting 2 goals each to give the local boys a nice win. Ron Lovig paced the Irma boys with 3 goals and 3 assists.

On Saturday night the Viking Gas Kings were visitors at the Irma rink with Irma coming out on top of a close 8 to 7 score. The Kings had some of their better players missing from the line-up so this made it easier for the local boys.

Both teams played some good clean hockey, also missing some good passes due to the soft ice and also made it difficult for both teams to handle the puck.

In the third period A. Glas-

gow broke into the clear and let a nasty shot go, hitting the Viking goalie over the eye for a bad cut. He had to be rushed to the Viking hospital for repairs. M. Cumming took over in the Viking goal and held the local boys scoreless for the rest of the game.

Ron Lovig again led the Irma team with 3 goals and D. McArthur led the Kings with 2 goals and 1 assist.

On Monday night Chauvin were visitors at the Irma rink for the third playoff game and handed the home boys their first loss on home ice this season. The final score read 6 to 5 in favor of Chauvin.

This was one of the best games played on Irma ice this season. Irma had a slight edge of the play but could not finish off around the goal.

The Chauvin goalie was outstanding in the nets, stopping shot after shot fired at him at close range.

The Chauvin team were fighting hard to stay alive in the playoffs, having lost the first game in the best 3-out-of-5 series, they put up a very strong defence, checking out the Irma boys time and again.

Irma pulled their goalie with 2 minutes to go in the game, having a couple of good chances, but failed to best Reinhardt in the Chauvin net. Chauvin let a couple of long shots go but were way wide of the net.

Irma travelled to Chauvin on Thursday night, weather permitting, for the fourth game. If Irma loses, the next game will be here on Irma ice on Monday night. So you all see you all need to go to the game.

Midget Hockey

Irma Midgets played their third game with the Edmonton Midgets 8 team on Friday, Feb. 27 and came up with their second win by a score of 6-4.

In another of their better games of the season, Irma soon took the lead and never looked back, leading 4-2 at the end of the first period, 5-4 at the end of the second, and finishing it up at 9-6. It was a clean game with only two minor penalties to each side.

Points for Irma: Alan Symington, 4 goals; 1 assist; Ralph Peterson, 2 goals; Brian Patterson, 1 goal, 3 assists; Barry Patterson, 1 goal, 1 assist; David Prior, 1 goal, 1 assist and I. Reeds, L. Coulman, 1 goal, 1 assist each.

IRMA: F. Withall, D. Prior, L. Coulman, L. Reeds, A. Doherty, C. Savage, Brian Patterson, Barry Patterson, A. Symington, R. Peterson, I. Inglis, C. Fenton.

Edmonton made a clean sweep two weeks ago when they defeated Irma 9-7, by following it up with a 12-2 win over Wainwright and a close 6-5 win over Viking.

Playoffs are due to start in the Irma district boys' league as ice permits. In the Midget section the B's have 12 points, Albert 7 and the A's 5 points.

In the Pee-Wee section, Roseberry leads, followed by the Eks with the C's in third place.

Cub Corner

ATTENTION parents and friends: The Cub and Scout Association are holding a bake sale at Larry's Food Market on Saturday, March 14. All Cub mothers or other interested parties are asked to contribute to this bake sale.

At the group committee meeting last evening we opened our "appeal cans" \$11.82 was realized. Not quite enough, I'm afraid, to meet our requirements but it all helps. Thanks folks.

We hope as many as possible are planning to attend the Cub and Scout Rally at Wainwright Camp on March 13. Any parents who are not going but would like their boys to go, kindly send word to that effect to Mrs. Elsie McRoberts at the school, so that we can arrange rides for these boys.

The Camp Wainwright group committee are holding a Bean Supper prior to the rally from 5 p.m. to 7 p.m. for anyone who wishes to have their supper there. The admission is 50c for adults and 25c for children over eight years. Small children are free.

That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised Him from the dead, thou shalt be saved.

For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation.

For the scripture saith, Whosoever believeth on Him shall not be ashamed.

For there is no difference between the Jew and the Greek; for the same Lord over all is rich unto all who call upon Him. For whosoever shall call upon the name of the Lord shall be saved. - Rom. 10:9-13.

Alberta Legislature In Session

By Ken Mason

EDMONTON, Alta., Feb. 27—Members of the Legislature spent most of last week embroiled in debate on the government's record \$309,676,358 budget.

And indications were that Opposition forces weren't finding too much in it to criticize. Probably the main reason is that the budget contains few changes in policy or departures with the one big exception of the \$48,397,128 deficit it forecasts.

Except for increased spending by all departments, the only reflection of the five-year plan in the budget is \$9,000,000 set aside for homes for the aged.

And no one is finding fault with the building of old folks' homes. The Opposition members are concentrating on rapping the government for allowing Social Credit Members to announce locations of the homes, and for not building them sooner.

Liberal Opposition Leader Grant MacEwan led off the budget debate last week, and concentrated his attack on the deficit, the first one forecast for Alberta in many years.

He described it as "the latest in a long list of Social Credit reversals or gymnastics," and as a surrender to "political expediency." The government's long-range planning, he said, reaches into the future only as far as the next election.

Mr. MacEwan said the homes for the aged could have been built and in use now for less than the \$21,000,000 spent on oil and gas royalty dividends.

The Opposition leader attacked the government for giving away money two years in a row, then turning around the following year and budgeting for a whopping deficit. It is a sign of moral deterioration, he said, when a government in a prosperous country adopts, "eat, drink and be merry policies."

He also spent time criticizing the government's irrigation policies, and quoted excerpts from the report of a government committee on irrigation.

The committee found some apparent errors in southern irrigation projects. He stressed a part of the report which said the west block of the Bow River Development might have been redesigned or even rejected if a reclassification had been undertaken before work started.

Premier Manning made a major policy statement last week on proposed increases in natural gas rates in the province.

He said the Board of Public Utility Commissioners will be extended with the addition of technical staff and will review gas rates of its own volition every two or three years. At present, a gas company or the community it serves must ask for a review before rates are studied.

The Public Utility Act will be amended to rule out automatic adjustment clauses in gas company rate schedules to allow for variations in the price the company pays for gas.

Mr. Manning saw no reason to expect the board would go along with gas company requests that the rate base be changed from that currently in effect—a fair return on the original investment.

This would appear to rule out some of the rate structure changes sought by gas companies applying for rate increases in northern and southern Alberta.

But the premier gave no indication that he's changed his stand he took last when he said Alberta gas prices have been "unrealistic" and an increase is "inevitable."

He turned thumbs down on a Liberal motion asking that Edmonton and Calgary representatives be allowed to appear before a committee of the whole House to outline their arguments against proposed gas rate increases.

The Liberals have been pressing to make gas rates an issue of the session. They were only partly successful when they drew the premier into making his policy statement.

Premier Manning repeated his arguments that higher prices paid for export gas won't be reflected in higher domestic rates.

Northwestern To Expand Services

A construction program for 1959 of \$4,800,000 in extending natural gas service in Central Alberta was announced by Northwestern Utilities, Limited. M. R. Stewart, general manager, said the company was providing for service this year to 5,500 new customers on the existing system. In 1958 the company added 7,006 customers and was serving 83,526 at year-end.

Cost of the extensions to serve these new customers, including main extensions, services and meters, is estimated at \$1,300,000.

The capital appropriations include \$1,250,000 for providing service to new communities. The new communities are Provost and Cadogan, 10 miles southeast of Edmonton, and the following communities 40 to 80 miles southwest of Edmonton who will be served off the company's Pembina line which was completed last fall: Thorsby, Breton, Warburg, Sunnybrook and Buck Creek. A number of other communities are also being considered for 1959, Mr. Stewart said.

Miscellaneous extensions to the company's transmission lines are estimated at \$190,000 this year. Distribution system improvements totalling \$375,000 are provided for in 1959. A major project is the building of two miles of 20-inch and 16-inch main on 129th Avenue in Edmonton to complete the main trunk loop serving the northwest end of the city.

In its continuing efforts to augment the future supply of gas, the company is again providing for the acquisition of various natural gas rights. These, together with improvements to its present production system, are estimated to cost approximately \$1,200,000.

Improvements and extensions to land and buildings owned by the company throughout its system total \$370,000 this year. Cost of tools, equipment and other items is estimated at \$115,000.

He said transportation and distribution costs are the main factors in gas rates, while the well-head price is a minor factor.

Other highlights of the week in the Legislature:

A bill was introduced by Education Minister A. O. Aalborg to increase schoolteachers' pensions, bringing them in line with civil service pensions.

Premier Manning took a surprise step and named Opposition Leader MacEwan to the Alberta technical committee which will study public health and natural resources safety aspects of a proposed experimental nuclear explosion in the Athabasca Oil Sands. Dr. G. W. Govier of the oil and gas conservation boards, heads the committee.

Members continued debate on a motion calling for expanded agricultural credit, but accomplished nothing. Agriculture Minister Leonard Halmrast announced larger loans will be available this year under the Farm Purchase Credit Act.

The House started but didn't finish debate on a Social Credit backbencher's motion calling on the federal government for stronger laws against indecent literature.

Lands and Forests Minister Norman Williams defended the deficit budget on the ground of changing economic conditions, and accused the Opposition of "criticism for the sake of criticizing."

Economic Affairs Minister Russell Patrick announced Alberta's tourist advertising in the coming year will be aimed at grabbing a share of the expected increase in travel to Alaska as a result of the northern territory acquiring statehood.

Bank of Montreal Business Review

Montreal, Feb. 25—Contrary to the traditional pattern, it now appears that the level of business activity in Canada should not be considered as inevitably dependent on that of the U.S., according to the Bank of Montreal's Business Review for February, just issued.

Rather, says the review in discussing the degree of recovery from recession in both countries, the two economies seem to respond independently to similar influences.

"In Canada, the recession of 1957 began earlier, extended over a longer time and was less severe in degree than in the U.S. And it has now become clear that the Canadian recovery got under way sooner but has been more moderate," the bank says.

Considered only in terms of the money value of aggregate output, it can be said that Canada—unlike the U.S.—did not suffer a recession. But quantitatively, trends of output were less buoyant because throughout 1957 and in the early months of 1958, consumer prices rose steadily, the B of M points out.

On the other hand, "the resurgence of national production in 1958 contained practically no element of price inflation, and in both countries, the rise in consumer prices after April was so small as to be inconsequential," the review adds.

Employment More Stable
Further evidence that Canada's level of business has been firmer than that of the U.S. is seen in employment figures, the B of M says, which show this country's trend of employment has been more stable than that south of the border.

"In both countries, moreover, the increase in total output last year was achieved with a less than commensurate increase in employment. To some extent this reflected a lengthening of the average work-week, manufacturing, following a shortening of hours during the recession. But in addition it reflected significant gains in the productivity of the average worker."

"Throughout the period, personal expenditure on consumer goods and services, accounting for the final purchase of about two thirds of all national output, proved to be "one of the steadiest sources of strength" and personal outlays for services mounted consistently in both countries.

Summarizing, the review says it seems evident that the recovery which got underway in Canada and the U.S. early in 1958 proceeded through the closing months of the year and over the threshold of 1959.

"In both countries," it adds, "a revival of interest in new automobiles and buoyant retail sales in general suggest that consumer demand has strengthened, and business inventory change has likely become a more positive influence."

"These indications augur well for continued moderate increases in output, employment and income in the months ahead. Even more important for the two North American economies in the longer run could be the possibility of adding to the gains in productivity and preserving the comparative stability of prices that marked the past year," the B of M review concludes.

SECOND HAND

A rancher's wife tells of going to the city to attend a cattle-men's convention. She made up her mind she would have something unusual to wear on the trip, so she made herself a blouse and embroidered it with every cattle brand she knew of.

In the hotel where the cattle folk were staying, she waited while her husband registered, and noticed two old cattlemen really giving her blouse the once-over. Finally one of them remarked in a voice that could be heard way up the canyon: "That critter sure has changed hands a lot, ain't she?"

Canada's gross national product is estimated at \$32 billion for 1958, an increase of 2 per cent over 1957 as compared to a postwar annual average of about 4 per cent; the 1958 increase was due entirely to higher prices, and not to an increase in national production.

WITH THE District Agriculturist

By J. S. Duncan
Have You Ordered Chicks?

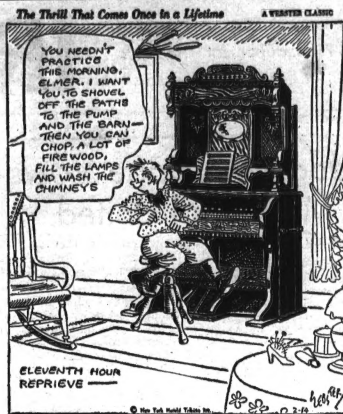

It is getting close to the time to order your chicks and poults for this year. When you are ordering, don't just buy the lowest priced birds. Poultry breeds and strains are being performance tested these days at three stations in Canada. One of these tests is operated by the Alberta Department of Agriculture. These tests provide uniform environment and give good comparisons of the different stocks tested. The last tests showed differences in egg production from 157 eggs to 233 eggs per year in the averages of different groups. Mortality differences varied from 4% to 41% between groups and net income varied from 55¢ to \$2.34 per bird started. Study these random sample test results carefully and then invest in the stock that will give you best results.

Gardeners:

One of the most common items in the mail these days are seed catalogues. The pictures in these catalogues look as if every vegetable and flower is just what you want. In spite of this, some of the varieties are not suitable for this district. This is particularly true if the firm selling the seed is from eastern Canada. Vegetables and flowers are the same as other crops in that all varieties are not suitable all over Canada. In order to find out what vegetable, fruit and flower varieties are most suitable, pick up a copy of the Alberta Horticultural Guide from this office. This little book also shows which varieties are most suitable for storage, freezing, etc.

Cattle Improvement Policy:

The assistance to farmers under this policy has been increased to 20% or a maximum of \$75.00. This applies on bulls bought by the department for commercial cattlemen or bulls bought by commercial cattlemen at approved livestock sales. Full information and application forms are available at this office. If you want to get a bull under this policy, now is a good time to get your application in.

HOW FERTILIZER BOOSTS YOUR PROFIT ON

WHEAT

YOU CAN MAKE UP TO \$8.00 PER ACRE MORE!

Actual field tests show how your net profit per acre of summerfallow wheat is boosted by the use of Elephant Brand Fertilizer.

In the table below, note that the increased profit figure takes the cost of fertilizer into consideration. An increased profit of over \$8.00 per acre is certainly worthwhile.

Fertilizer per acre	50 lb. 11-48-0 (Cost \$2.60)
Increased yield per acre	9 bu. (worth \$10.80)
Your INCREASED Profit per Acre	\$8.20
	or \$820.00 on 100 Acres

When properly fertilized, wheat grown on stubble land will show an equally profitable return per acre . . . For greater net profit per acre from any crop on any soil, contact your Elephant Brand dealer listed below for the right information.

3:30 p.m.—"Hair Styling and Care." Mrs. Vicky Triska, Vicky's Beauty Parlor, Vegreville, Alberta.

Everyone is invited to attend this Short Course. Many town ladies feel that short courses are for the rural areas only. This is not the case. Each and everyone is welcome.

A good many people drop all their money trying to pick up more.

Kinsella News

Kinsella basketball teams played in Holden last Friday night. The scores were very close, being in favor of Holden 17-13 for the girls and a very low defensive score of 5-4 for the boys. The boys were very pleased to have referees from Salisbury School, Edmonton, handle the game.

The Kinsella Legion supported the Loughheedspiel with a strong rink composed of B. R. Davis, E. Oakes, M. Walker and J. Mollier. They found the southerners too strong and came home with the "wooden spoon."

The local Elks held their one-day bonspiel on March 1st. Six rinks competed. Winners were: 1st—H. G. Smith rink. 2nd—B. R. Davis rink.

Gordon and Grant Walker, the twin sons of Mr. and Mrs. Murray Walker, celebrated their 2nd birthday anniversary on March 1st. A combined birthday party with their cousin, Sharon Klontz, was held at the home of Mr. and Mrs. George Klontz of Viking.

Mr. Herb Armitage of Camrose spent the weekend at the home of his parents, Mr. and Mrs. B. Armitage.

Sunday visitors at the home of Mr. and Mrs. P. Wagner were: Mr. and Mrs. C. Wagner and family of Camrose; Mr. and Mrs. N. Porter and family of Strone; Mr. and Mrs. D. Krause and family of Wainwright.

Miss Betty Armitage and Messrs. B. Armitage and C. Holt were in the city last week.

Miss Hjoridis Anderson of Edmonton spent the weekend at her home here.

Mrs. G. Paterson entertained a number of friends at afternoon tea on Tuesday, Feb. 24, in honor of her mother, Mrs. A. Milne on the occasion of her birthday anniversary.

Mr. and Mrs. J. Lindberg have left to make their home at Spruce Grove. Mr. Lindberg has been section foreman here.

At the monthly meeting of the WI held last Saturday, a donation was given to the local Legion for the Polio Fund and knitted sweaters and mitts were brought in by members for overseas needy children.

Please plan to attend the annual St. Patrick's dance sponsored by the WI on Friday, Mar. 13.

Also please support the Variety Concert sponsored by the Students' Union on March 6th.

Canadian Will Be Beatified

Vatican City—Pope John has decided that the Canadian 18th century foundress of the Sisters of Charity at Montreal, Mother Marie Therese Marguerite d'Youville, may be beatified and has fixed May 3 for the ceremony at St. Peter's Basilica, authoritative sources say.

They said the pontiff informed Gaetano Cardinal Cicognani, prefect of the Vatican's Congregation of Rites, which is in charge of beatifications and canonizations, of his decision recently.

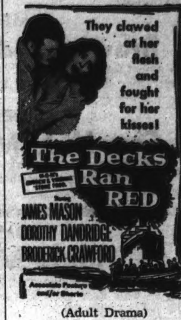

The Vatican Congregation of Rites approved two miracles said to have been worked through the intercession of the woman who died in 1771 at the age of 60.

Marie d'Youville, the mother of six, turned to the religious life after her husband died and later founded the Sisters of Charity—the Grey Nuns—and
